There are a lot of entries, especially under Aaron Rochester.

go to this website - <https://www.iowacourts.state.ia.us/ESASWebApp/DefaultFrame>

click "start a case"

Under Trial court, click on "case search"

- enter Recycletronics under the name and it should come up with 5 entries.
- enter Aaron Rochester under the name and it should come up with about 29 entries. Some are entered as DBA recycletronics and deal with his business eviction, the city going after him for improper storage of material outdoors etc.

This is just more of an fyi, our financial and business assistance group is searching for a federal ID for Recycletronics. In their search they went to Iowa courts online, and there are several cases under Recycletronics and many more under Aaron Rochester DBA Recycletronics. I noticed many of the notices were undeliverable or not signed for, as was the EPA and DNR letters sent to him.
